Consolidation of these proceedings will reduce the burden on the courts and the litigants. It will also promote judicial efficiency and consistency with respect to discovery and common pre-trial issues, prior to co-defendants being severed where appropriate, and the cases being set for trials on an individual plaintiff basis.

WHEREFORE, Janssen hereby requests that the Court issue an Order consolidating these cases before the Honorable Henry E. Autrey, and that a scheduling conference be set thereafter to develop a coordinated plan for discovery and pre-trial matters.

Respectfully submitted,
